

Tour the States

By Renald Francoeur

I want to take a little trip somewhere, yeah
Places I've never been, yeah
Goin' on a tour without a care

I want to take a little trip somewhere, yeah
Places I've never been, yeah
Goin' on a tour

First I'm gonna see **Nashville, Tennessee**
Then **Madison, Wisconsin** is where I gotta be
Then I'll take a plane...
Well actually, I'm afraid to fly
So I think I'll take the train

Goin' to **Trenton, New Jersey**
Frankfort, Kentucky
Maybe take a trip to **Jackson, Mississippi**
Let's see what they can show me
In **Jefferson City, Missouri**

Santa Fe, New Mexico; Denver, Colorado
Boise, Idaho I love it every time that I go
In fourteen ninety-two he sailed the ocean blue
But next week I'll see **Columbus in Ohio**

Grab a little sunshine in **Tallahassee, Florida**
Take a bit of a peach in **Atlanta, Georgia**
I've never been to **Carson City, in Nevada**
Or **Lincoln, Nebraska**

You can catch me in **Phoenix, Arizona**
Or **Sacramento, California**, yeah
Saint Paul, Minnesota
Maybe **Juneau, Alaska**, yeah

I want to take a little trip somewhere, yeah
Places I've never been, yeah
Goin' on a tour without a care

Goin' on a tour

Boston, Massachusetts; Concord, New Hampshire
Going to **Vermont for Montpelier**
Montgomery, Alabama
Then Washington D.C. to see the nation's capital

Aloha to **Honolulu, Hawaii**
De Moines, Iowa so peaceful to me
Going to **Springfield, Illinois**
To build a little house on a prairie

In **Little Rock, Arkansas** I love what I saw
Going back to **Dover, Delaware** cause I want more
Indianapolis, Indiana and **Hartford, Connecticut** need an encore
Smelling pine trees in **Augusta, Maine**

I like **Topeka, Kansas**. I'm glad that I care
But I've never been to **Salt Lake City in Utah**
Or **Richmond, Virginia**
Gonna see **Bismarck, North Dakota**

And **Charleston, West Virginia**, Yeah
Annapolis, Maryland
Maybe **Lansing, Michigan**, yeah

Helena, Montana; Columbia, South Carolina
Gotta go to **Pierre, South Dakota**, yeah
Follow if you wanna
I'll be eatin' a banana in **Baton Rouge, Louisiana**

Schedule that for my planner
Friends say I gotta come sooner
To **Oklahoma City, Oklahoma**
So I guess I'm gonna

But first I'm going to **Cheyenne, Wyoming**
Then party in **Raleigh, North Carolina** yeah
Harrisburg, Pennsylvania
Can't think of a rhyme for Pennsylvania

So I'm skipping to **Salem, Oregon**
Then **Austin, Texas**
And then maybe **Albany, New York** for breakfast
Providence, Rhode Island was a blast and
Olympia, Washington was just the bestest

I want to take a little trip somewhere, yeah
Places I've never been, yeah
Goin' on a tour without a care
